

Niche Mortgages Conference 2007

In 2007 the publishers of **Niche Mortgages** will be organising the launch of its Non-conforming Conference. This conference aims to become one of the industries premier events.

The conference itself will be held at the **Royal Opera House**, Covent Garden in Central London. To distinguish it even further from other industry conferences this event will have a strong focus on hospitality by offering all delegates a luxury buffet and a post conference bar.

Not only will we be carefully selecting the speakers and relevant topics for the conference but we will also be carefully selecting the delegates. The readers and users of the Niche Mortgages magazine and website www.bestadvice.net will be invited to register for the conference and will be required to fill in a criteria for attendance form. We will then select the most appropriate registrations to ensure that we have a good mix of attending delegates. Our sole aim is to target the top 300 brokers within the UK.
